

## **“Pay as you go” payment option plan**

With our “pay as you go” payment option plan you can select the all of the services you want us to provide you with to fulfill your Hawaii wedding or vow renewal dream, get scheduled NOW, and make up to 4 incremental payments of as little as \$100.00 whenever you want, from the time you book up until the day before your ceremony.

### **How it works:**

We will invoice you for the full amount of your wedding services plus a small, one time, 2.9% transaction fee. You will then make an initial deposit of \$100 or 20% of the total balance, whichever is greater, in order to schedule your ceremony. You will then be able to make up to 4 incremental payments whenever you choose to, for an amount at least equal to the initial deposit amount, until your remaining balance is paid. You can also choose to make more than the minimum payment required at any time. This option can also be used for couples who want to pay their remaining balance due by credit card instead of cash or cashier’s check.
